How to Read This Guide

This resource guide lists prevention partners, community based treatment programs, sober living, recovery community organizations and transitional living facilities located in the Greater Strafford County area & a partial list of New Hampshire, Massachusetts and Maine resources. Treatment programs are broken down by adults and adolescents.

Location, age/gender, acceptable insurance, treatment type and description will be included for most treatment programs. If we were able to gather information on detoxification services and dual diagnoses (Dx) then that will be listed as well.

**Thank you for your continued support from
